In re: K247BU, Lancaster, CA  
BMPFT-20150120AIS  
Facility ID No. 142301

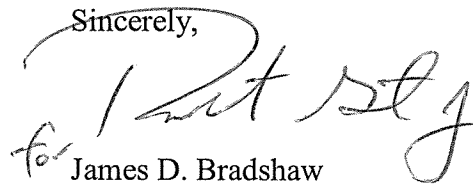

Dear Applicant:

This letter refers to the above-captioned application for K247BU, Lancaster, California.

An engineering study reveals the application is a major change pursuant to Section 74.1233(a)(1) of the Commission's Rules. Specifically, the proposed 60 dBu service area fails to provide service to some portion of its 60 dBu authorized service area, (BNPFT-20130822AFZ). Therefore, the proposal is a major change. Because major change applications are not being accepted for filing, the application will be dismissed.

In light of the above, the application BMPFT-20150120AIS filed by Mary V. Guthrie is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw  
Deputy Chief  
Audio Division  
Media Bureau
